ABOUT US

Maaya Artstudio was established in the year 2020 in Delhi, India. We are counted among the leading names in the market in Delhi. We are actively engaged in manufacturing and supplying products like fibreglass Atal Bihari Vajpayee portraits, metal garden sculptures and lore more. The products of our company are high quality and superior.

The products of our company are made available in different sizes and designs. Moreover, our expertise in offering mannequins, wall paintings, flower vases and decorative frames has made us more popular in the industry.

Under the headship and expert guidance of diligent and reliable mentors, we have been able to become a leading name in the industry in a short time.

Our Team

To handle all our company operations with the utmost professionalism, we have appointed highly experienced, dedicated and meticulous professionals in the industry. These professionals tend to complete all their assigned work in the allotted time frame.

Our Production Unit

Installed with hi-tech machines, advanced tools and state-of-the-art technology, our production unit is the place wherein we manufacture our products. By making use of these machines and tools, we have been able to maximize our production capacity.

Choose the product that you want and order now. We will deliver it to your chosen location fastest and easier.
